

Freek Van Riet

University of Antwerp
Faculty of Applied Engineering

Has the honour to invite you to the
public defense of his doctoral thesis

**Hydronic design of hybrid thermal
production systems in buildings**

Antwerp, Friday October 25th 2019, starting at 14:30

Supervisor:
Prof. Ivan Verhaert

Directions

Universiteit Antwerpen | Stadscampus
Building S – Klooster van de Grauwzusters
Lange Sint-Annastraat 7 – 2020 Antwerpen

You are cordially invited to the reception after the defense
Please confirm your attendance before October 17th to
freek.vanriet@uantwerpen.be

Directions: www.uantwerpen.be/route

Mind the major roadworks in the city center; public transport is probably the most convenient. Check www.slimnaarantwerpen.be
